

## Design, Build & Fly Competition

Children of all ages design & build paper airplanes, then bring them to the Pleasanton Library for a "fly-off" competition. Prizes will be awarded by category in each age group.

### AGE GROUPS

Kindergarten and younger  
1<sup>st</sup>-3<sup>rd</sup> grade  
4<sup>th</sup>-5<sup>th</sup> grade  
Middle school

## DESIGN & BUILD PERIOD BEGINS FRIDAY, JUNE 23

- ✓ Planes must be substantially\* designed & built by child participant. No purchased planes!
- ✓ Planes must be made entirely of paper (no cardboard, wood, paper clips, etc. A little tape is okay).
- ✓ Planes must be hand-powered & launched only (no rubber bands, springs, motors, etc.).

### Design your plane(s) for one or more of 3 FLIGHT CATEGORIES:

☐ Distance   ☐ Time in the Air   ☐ Acrobatics

[Children are welcome to compete in any or all categories, with the same or different planes]

## FLY-OFF: SATURDAY, JULY 22

1:00-3:00 p.m. \* Large Meeting Room

(Or outdoors if wind & weather permit!)

\* This competition is intended as a fun activity for children. In that spirit we expect the majority of design, build and flying to be done by the child. *Some* adult help is OK, especially for younger children, but to keep things fair we ask that if an adult or older teen has given substantial help they tell us this at the "Fly Off" so that comparisons & judging can be appropriate.
